

Wirral Whiskers Mewsletter

Welcome to my third newsletter of 2020.

I hope everyone is keeping well and safe.

Well this year's events were unexpected. What started out as a minor nuisance as my husband was having difficulties obtaining his parts for work from China in January, to the present situation.

Happy Birthday

On the 15th May, it is Wirral Whiskers 1st birthday.

Despite the current situation, I am pleased that I became self employed as Wirral Whiskers.

I have looked after other people's pets for over 30 years. So to do this as a job, has been a dream come true.

Obviously, the last 6 weeks haven't been great for anyone. I have spent time working on my website, new blogs, artwork, training, designing new adverts, networking and writing content.

Thank you for all your support this year!

Further Plans

In May, I will be launching an online shop called Circus Cat Crafts. This will mainly be cards, cross stitch, pictures and prints.

Recently I have been writing and providing advice for other websites and blogs. This has been pet related and in particular, pets during lockdown and also for when things return to normal. I've even been quoted in the Guardian newspaper and their online publication.

My website will be expanded to include downloads for pet care and pet owners.

Pupdates and Events

All events have been cancelled or postponed for the foreseeable future.

Wirral Whiskers had sponsored a dog class at Wirral Dogfest. This was to take place in June but will now take place in 2021. This event raises awareness and funds for Wirral Animal Sanctuary and Parkgate Pony Sanctuary.

Some events will be taking place online instead.

Vets are only seeing animals in an emergency. If your pet is ill, ring and they can offer telephone consultations. Then, if required, a physical appointment will be offered.
